There is some important information that the Annual Membership Form and Waiver does not include but we think it is necessary, and for one aspect of it, a little bit of fun.

Birthday & Anniversary

We like to recognize the Birthdays and Anniversaries of our Chapter members and we want to include you in that tradition. So, if you would be so kind as to let us know the month and day only for both your birthday and anniversary, it would greatly be appreciated.

In Case of Emergency

We never want to think about "In Case of Emergency" BUT, it would be beneficial for us to have someone to contact on your behalf should we ever be put in that situation. Your spouse or partner might be your obvious choice for a primary contact, but we ask that you include a secondary contact to address those times when you might be riding together. Please provide two contacts along with their phone numbers and let us all hope we never have to use them.
